

Sahih Bukhari – Its Fruits

(حاصلات صحیح بخاری)

PROTOCOL REQUEST

It is not only our tradition but also obligatory that when we take the names of God, His previous Messengers, His Last Prophet, Companions of the Last Prophet, Islamic Saints and Islamic Scholars we use certain modus operandi for them.

This book is extended to almost thousand pages. On each page there are several names, especially the names of the companions of the Last Prophet as the “Narrator of Hadiths”.

In order not to increase the volume of book, we did not write these respectful names with proper conventions. You are requested to kindly read these names with due protocols as given below:
